Dear Friends,

This July the *JESUS* film was translated into the 1,000th language!

The *JESUS* film is based on the gospel of Luke and for millions of people, watching this movie is the first time they hear about Jesus.

As a result, more than 200 million people have indicated a decision to accept Christ as their personal Savior and Lord!

Children see the JESUS film for the first time

Marc with the JESUS film servers

Marc is directly in control of the JESUS film database which tracks inventory, ordering and shipping information. The network team saves all of the JESUS film versions (yes, over 1,000) on servers. It takes a week and a half to do a full back-up.

We couldn't be here without your prayers and support. And the JESUS film relies on those servers. **You are a significant part of this milestone.**

Here's more of this amazing God story: The 1,000th language, Ho, was completed 8 years after the translator's murder.

Australian missionary Graham Staines and his two young sons, Philip and Timothy, were murdered by militant Hindus when the Jeep they slept in was set ablaze in 1999.

Before his death, Graham had worked with lepers of India, showed the JESUS film in various Indian languages, and translated the Bible into the Ho tongue, a language spoken by 1 million people.

Now, 8 years after Graham's death, the Ho language is the 1,000th completed language translation for The JESUS Film Project®.

The film will debut in July among a people where less than 1 percent currently follow Christ.

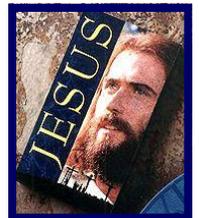

"It's a testimony of God's faithfulness," says John Meyer, who travels to record the film into various languages. "Those 1,000 languages mean that over 90 percent of the people in the world can hear, in their own language, the greatest story ever told."

Thank you for partnering with us so that everyone can hear about Jesus!

Love,

Marc & Evangeline

41 Campus Crusade associates are in jail for issues related to their faith. Would you please pray with us?

From a Campus Crusade director of affairs:

Dear Friends,

I am writing to request your prayers for a difficult situation we are facing in our region.

There are approximately 41 of our associates in prison in a South Asian nation and their trial is expected to begin on July 3.

It is our desire to challenge at least 41,000 people to pray for the 41 dear ones in prison when the trial starts.

Would you please join us in praying that:

- *God will fill their hearts with the joy of the Lord and His peace that surpasses all understanding, while they remain in prison.*
- *God will continue to use them inside the prison, as He has already, for the salvation of many more souls. He is doing mighty things!*
- *The word of the Lord in Luke 21:13-15 "It will lead to an opportunity for your testimony... for I will give you utterance and wisdom which none of your opponents will be able to resist or refute," will become true when the trial starts.*
- *The judges will be overcome with a deep sense of righteousness, justice and fear of the Lord.*

The trial can last for at least a month. I have limitations in communication due to security reasons, but I will try to keep you informed.

Thank you for standing with us on this important matter.
