“Trust in yourself and you are doomed to disappointment; but trust in God, and you are never to be confounded in time or eternity.”

Dwight L. Moody

## Please Pray:

- We have a safe trip and are healthy throughout it.

- For the computers Marc works with to run smoothly while he is gone. After Omaha, Marc will fly straight to California for training. He will be gone 20 days altogether.

Would you please join us in praying for our trip this month?

Please pray we will encourage the partners we meet with and they will feel cared for. It is really important to us to express appreciation and maintain friendships.

Also, please pray God will bless us with new prayer and financial partners. God has blessed us tremendously and we

## **Spreading the Gospel One Byte at a Time**

Imagine what would happen if your paycheck didn't come one month. Who would you call? How forgiving would you feel?

Now imagine you are Marc... and those calls are sent to you! Fortunately, Marc has yet to receive a call like that. And that is an answer to prayer!

Last year Marc worked on a small team to upgrade Campus Crusade's financial system. *The project was a huge success!* Because Campus Crusade had grown so quickly, the old system could not keep up and was in danger of crashing.

Today, Marc's department backs-up (saves) over 18 terabytes of data per week. That is the equivalent of 18 million copies of Lord of the Rings. Marc is responsible for roughly half that data! In comparison, the print collection of the U.S. Library of Congress is only 10 terabytes.

The best part is, that data represents money and lives that are progressing the gospel. For example, last year over a million people indicated a decision to become a Christian through a Campus Crusade ministry!

## **Heading North: Nebraska or Bust! October 12—22, 2006**

Evangeline and I are coming “home” to Omaha for 10 days this month. Our goal is to reconnect with our ministry partners (you!).

If it is possible, we would love to see you! And please, if you are ever in Orlando, we would love to meet you for a meal or help with vacation plans. Of course, you are more than welcome to stay with us!

want to be faithful in asking other people to join with us.

Whenever someone hears the gospel for the first time, there is a long line of Christians who have supported and cared for each other to make that movement of the gospel possible. That happens thousands of times a year through Campus Crusade. *And during those times you stand with us as a part of that spiritual line!*

# Viva Vergo! SNAPSHOTS OF LIFE

As the women came off the elevator, security began to buzz and lights flashed as Evangeline joined the "paparazzi" to make Campus Crusade wives feel like Stars at the 2006 wives retreat in Daytona!
